Christmas fete in the Cubbon Park..

~~No.~~ Letter Dated 19th Jany. 1911. Received 20th Jany. 1911.

Diary No. 3150	Enclos. –	Spare Copies –	Serial No. 4.

BRIEF ABSTRACT OF LETTER.

Gives notice on behalf of his client Rallappa, lessee of the right to graze in the Cubbon Park, that if he is not compensated for the loss caused to him by the grass being allowed to be trampled upon by a great mass of people during the last Christmas fete, he will have to institute legal proceedings against the Committee which organised the fete + the Govt which permitted it to be held in the Park.

NOTES AND ORDERS.

This difficulty was not noticed at the time when the question of giving permission to hold the fete in the Cubbon Park was being considered by the Govt. If Mr. Thumbiegel were then at head quarters he would have been consulted in

the matter & the difficulties in the way of ~~giving permission~~ the fete being permitted to be held in the Cubbon Park would no doubt have been ~~brought to notice~~ found out under the circs. The only care that was taken was to obtain an undertaking from the Committee that the grounds would not be damaged or disfigured in any way; that all holes would be filled up after the fete was over & that the trees, shrubs, flower plants & beds also would not be damaged in any way, more particularly on the terrace in front of the Public Offices. The Committee however ~~have~~ made some fresh paths ~~were taken~~ leading to the stalls & erected on the occasion. But it is doubtful whether the damage caused by this & the trampling of people over the grounds would have ~~anything~~ been such as to put the lessee to a loss of Rs. 200. The Supdt of Govt Gardens may perhaps be requested to enquire into & settle the matter.

2/1-1-11 (114) 21/1

2 - I think this may be done. In fact when the lessee was aware that the Christmas Fete Committee had entered on the lands with the approval of the lessors, viz; the Govt, he should have approached the Supdt of

My dear Balasundaram Iyer,

I enclose the abstract of tapal the Dewan has seen that the contract to whom the right of grazing in the Ashton Park was leased has given notice, through his lawyer Mr Seshiengar, of a claim (Rs 200?) for compensation

on account of loss sustained
by him by the holding of the
Xmas fete in the Park during
the currency of the lease. When
permission to hold the fete in

Dear Mr. Balasundaram Rao,

16. Your D.O. No. 49 of the 25th instant awaited my return from Ooty this morning.

17. As regards the claim of Mallappa made against - Government through his counsel for damage said to have - been caused during the late Xmas Fete to grass at the -- Cubbon Park of which he says he is the Contractor, it will be observed that the purchaser from us is one Krishnaji Ra Suravomse (a peon in the Revenue Survey office, as I -- understand). The latter during the lease has repeatedly been

been warned for allowing his cattle to damage trees in the Park in contravention to his agreement, and fearing or - knowing that a claim for such loss will be made by this - office he has set up the present claim more as a counter-poise than a result of any actual loss, for at the time - when the Fete was held there was no appreciable pasture - left on the grounds which have been grazed by a large herd of cattle for a period of about four months.

Any how I will send for the Contractor, enquire - into the matter and write again.

Yours sincerely

In the absence of any prohibition in the agreement, the lessee can transfer his right by sale or sublease. The lessee or sublessee is undoubtedly entitled to some compensation for having been prevented the use of the property for one week and the destruction of the grass thereon during the continuance of the lease, by the lessor or by persons --- authorised by him. But the amount of Rs.200/- --- claimed is somewhat exorbitant. One half of this amount seems reasonable as suggested in the ------ Secretary's letter to Mr. Krumbiegel. This amount may be tendered to the claimant's Advocate in full settlement of all claims of the contractor or his sublessee.

I find no record of any claim having been made by Mr. Krumbiegel for damages for breach of any of the conditions of the lease. Such a case advanced for the first time after the demand for compensation by the lesse, assumes a doubtful appearance. I do not think it advisable to have recourse to a Civil suit in this respect.

I am instructed by my client Mallappa son of Piddappa, Komatipet, Bangalore City, to give you the following notice: that he had leased the right the- to graze in the Cubbon Park till next June 1911 from the Government for Rs.400/-; while my client's lease was still operative and the grass little used the Committee of the Cubbon Park fete, without my client's - consent enclosed the major portion of the grazing ground in the park and thereby caused a great mass of people to congregate there during last Xmas and subsequent days. The effect of these facts was to deprive me the use of the ground over a week for grazing and the destruction of the grass by trampling has led to a loss of Rs.200/- to my client.

Sir,

With reference to your No. G.4274/G.M.192-10-5 dated - 25th ~~ultimo~~ January 1911 forwarding the notice, returned herewith, given by Mr. K.R. Sesha Iyengar, Advocate, on behalf of his client ------ Mallappa and in continuation of this office D.O. No. 288 dated 28th idem, I have the honor to state as follows:-

1. The applicant Mallappa a subcontractor and Krishnaji Rao the original contractor of the grazing at the Cubbon Park both appeared before me. The former states to have taken the lease on transfer from Krishnaji Rao agreeing to abide by the same -- conditions the latter has originally accepted, as per document, copy of which is herein enclosed for information.

2. Under para 4 of the conditions of the original agreement the contractor is not from a legal point of view entitled to - any compensation while according to para 3 he is himself liable to Government for damages done to trees by his cattle.

3. A large herd of cattle having already grazed for about 3½ months there was no grass left at the time of Fete to loose either by trampling or on account of closing a portion of the grazing

grazing area for about 10 days the most. However, I offered to extend his term by double the number of days. The Contractor did not consent to this. Considerable injury has been done to trees and shrubs by the cattle; and a claim can be instituted - by Government against the Contractor for damages done.

4. The contractor has been advised to waive his invalid -- claim against the valid claim of Government to which he has not agreed.

5. The Secretary of the Xmas Fete has been consulted as requested and from the reply, copy of which is herein enclosed for information, it will be seen that they are not in a position to pay anything.

6. Under these circumstances it is for the Counsel to decide on the further action his client Mallappa has to take either ---- going to law in the face of the above facts or drop the case.

I have the honor to be,

Sir,

Yours most obedient servant,

Dear Sir,

I am in receipt of your letter No.333 dated 22nd. February, and in reply, beg to inform you that the Cubbon Park was taken from the Government of Mysore for the Xmas Fete for 3 days, and no mention was made of any grazing rights by the Government.

Secondly, during Christmas week the grass in the Park was parched up and withered, and there was no good grass on the part where the Fete was held.

Thirdly, had my Committee been prepared to pay anything, I am afraid it is too late now, as all the accounts are settled, and the balance sheet published, and the surplus has been fixed in the names of the Collector C.& M. Station, Bangalore, and the Deputy Commissioner Bangalore City.

I am,
